About Company

Disa Logistics was founded in 1995 and currently maintains strategic partnerships with major seaports and airports worldwide. We specialize in sea and air freight, consolidation, packaging, transport and logistics, warehousing, and customs clearance.

The company has experienced progressive growth and has become a significant and dependable player in the sector due to its reliable and timely services. The company currently provides services to clients on all continents, offering customized solutions tailored to individual needs. These services begin at the point of origin and encompass various custom procedures to the client's doorstep. The company prioritizes personalized attention to ensure client satisfaction.

The Company

The company has made significant investments in the latest and most relevant technologies for communication, tracking, transfers, transportation, packaging, and storage. With Disa Logistics, not only secure, but clients are also kept informed about the whereabouts of their goods at every step of the way. To achieve this, we have developed Internal Operation Standards (IOS) that are benchmarked internationally.

We stand out favorably for our outsourcing capacity, conventional business conduct, and international affiliations, resulting in competitive pricing, prompt deliveries, and strong customer relations.

We aim to establish a strong working relationship that guarantees clients receive dependable services, thereby adding value to their investment. As a result, Disa Logistics has been embraced by leading companies and organizations in the health, relief, and humanitarian sectors, as well as in agriculture, hospitality, and other NGO community.

Core Values

▶ **Timeliness**

▶ **Sense of Urgency**

▶ **Integrity**

▶ **Caring Attitude**

Timeliness

We thrive on challenges and perform our activities with high sense of urgency.

Quality

We take pride in what we do and deliver high quality service to our clients and partners.

Integrity

We are honest and trustworthy. We accept responsibility for our actions and follow through on promises and commitments. To conform to the law and maintain confidentiality in all our operational and transactional dealings.

Caring Attitude

To form a personal relationship with customers that encourages a free flow of feedback on our service standards. To understand, meet, and exceed our customers' expectations through continual improvement in the quality of services.

Vision

To become an authority & market leader in providing dependable, cost-effective, and secure global logistics solutions, where our customers can enjoy a personalized relationship.

Mission

To be the provider of choice for innovative and quality logistical solutions worldwide.

Services

A white semi-truck with a blue and white trailer is driving on a road. The trailer has the text 'SA LOGISTICS' on it. The truck is moving towards the right side of the frame.

Import Cargo

We have successfully managed numerous prestigious assignments for our clients, including import clearance for FCMG companies and consumables companies, to name just a few.

Export Cargo

We handle all types of export clearance, including air, sea, and road, for both our local and international clients. We take this responsibility from the moment we pick up the cargo from the customer's doorstep until it is loaded onto the vessel, aircraft, wagon, or truck.

Door to Door

We offer door-to-door transportation services and transit bonds. From the cargo origin to the client's offices or warehouse.

Warehousing

We provide secure and spacious warehousing and logistics support.

Document Collection

Document collection and delivery are made easy. We are just a phone call away, and our riders will ensure that they collect or deliver the document on time.

Secure Loading

We take great care of your cargo during loading and offloading.
